Upper Richmond Road West, London, SW14

A larger than average and exceptionally styled split level flat situated in a quiet and central position in East Sheen. The flat offers a south-facing balcony and is in a favoured Parkside setting. The property is presented in excellent condition throughout and feels almost detached from neighbouring properties owing to its unique position in the building. The property also benefits from a modern kitchen with integrated appliances, separate WC, oak wood flooring, modern bathroom, very good storage and a private south-facing balcony overlooking the gardens of Parkside houses. There is parking for the flats in the building located immediately below. The flat is also positioned to the rear of the building hence is quieter than those facing the high street.
