Rarely available and offered with no onward chain, this charming period home is situated on the highly sought-after Westhorpe Road, a location renowned for its quiet residential charm and excellent community feel. These homes seldom come to market and present an exciting opportunity to personalise and modernise a generous family space in one of the area's most desirable settings.

Internally, the home offers a well-balanced layout ideal for both family life and entertaining. The ground floor features a bright and airy double reception room, beautifully illuminated by large bay windows at the front and rear, offering defined spaces for living and dining or a home office setup. High ceilings and period features add character, while the open flow enhances the sense of space.

To the rear, the kitchen/dining room offers a generous space with room for a large dining table and doors leading directly onto the south-facing rear garden. The garden is designed for low maintenance yet provides a private, sunny outdoor retreat for relaxing, gardening or summer dining.

The cellar, accessible from the hallway, offers practical storage space and potential for conversion, subject to the usual consents.
