Lower Richmond Road, Richmond, TW9

Situated close to Richmond and Kew, this generously proportioned four-bedroom end of terrace house presents an exciting opportunity for families and developers alike. Offering excellent scope for further extension (subject to the usual planning permissions), the property is ideal for those looking to create a long-term family home close to excellent local schools.

The property currently comprises a separate kitchen, a spacious reception room, conservatory and downstairs w.c. on the ground floor. The upper floors host four bedrooms, and one shower bathroom. While the property would benefit from some modernisation, it retains a solid layout and great natural light, providing a fantastic foundation for personalisation and enhancement. Externally, there is a private south facing rear garden with useful side access, perfect for outdoor entertaining or family play, and the front garden can easily be converted for car parking.

With close proximity to outstanding local schools, Richmond Park, Kew Gardens, and the excellent transport links of Richmond and Kew Gardens stations, this is a rare chance to secure a home with both character and promise in a highly desirable location.
