Vernon Road London SW14

A secure lock-up freehold double garage conveniently situated on a private road just moments from Mortlake Station, offering an exceptional development opportunity. The property benefits from planning permission (23/2090/FUL) to convert the existing structure into a one bedroom house with a west-facing garden, providing excellent natural light and attractive outdoor space.

Importantly, the property is ready for immediate development, with services now connected, enabling an incoming purchaser to commence works without delay. This presents a rare chance to acquire a well-located site where the key groundwork has already been completed, allowing for a straightforward and efficient start to the approved conversion project.

Viewing is highly recommended.
