Melville Road Barnes SW13

A rare opportunity to acquire a substantial character detached family home in the very heart of Barnes Village, just moments from Barnes Common and the popular independent cafés, restaurants and amenities of the High Street, including Gail's Bakery at the end of the road. Occupying a prime corner plot position on one of Barnes' most sought-after roads, this is the only detached house on the street and enjoys a magnificent south-facing rear garden with useful rear access from Grange Road, offering exceptional privacy and an enviable setting. The property is presented in good condition throughout; however, its true appeal lies in the outstanding plot, location and future potential. Opportunities of this nature are exceptionally rare, combining a prestigious Barnes Village address in one of South West London's most desirable locations. The property has remained in the same ownership for over 30 years, making this a particularly unique offering. This charming character home provides spacious, bright, and flexible accommodation arranged over three floors. The house currently offers five to six bedrooms and two bathrooms, including a generous principal bedroom suite on the top floor with air conditioning and direct access to the adjoining bathroom. The ground floor has been thoughtfully arranged to suit modern family living, featuring two versatile reception rooms and a traditional kitchen/breakfast room, also with air conditioning. To the rear, an impressive extended garden room spans the width of the house, creating an excellent family and entertaining space. Two sets of bi-fold doors open seamlessly onto the beautiful south-facing garden, flooding the room with natural light and enhancing the connection between the indoor and outdoor spaces. A particularly practical feature for family life is the substantial utility room located off the main hallway. This bright and airy space is ideal for busy households and pet owners.
