Stonehill Close London SW14

On the Market for the first time in over 30 years, this substantial and deceptively spacious Parkside Cul-De-Sac family home offers well-planned, lateral accommodation over three floors.

Providing a wealth of period charm and character, including working fireplace, the property features two expansive reception rooms both having full wall sized bi-folding doors leading out to the rear patio and garden. A modern kitchen and separate dining room, five double sized bedrooms and 2.5 bathrooms. As a point of note, we understand that the two reception rooms could be opened up to provide a substantial sized area for Open Planned Living if required, with minimal renovations and disruption.

To the rear there is a secluded rear garden where a separate well sized Home Office is situated. To the front of the house the garden is part hard landscaped and part garden allowing substantial driveway parking for several cars.

Due to the position and the size of the plot, the property potentially offers significant potential to extend to the front as well converting the rear single storey extension to a double storey, subject to the usual consents.

Being of a Parkside location the property is a few minutes walk from Sheen Gate and the 2,500 acres of Richmond Park, as well as Palewell and Sheen Commons. Mortlake train station is a quick 10 minutes walk with its regular services into central London.

In addition the property is located close to some of the Borough's excellent schools, both state and private, such as Sheen Mount, Tower House and Ibstock Place schools, all of which are a short walk away from the property.
